

## About this App

LKWb is an educational app with a focus on the Korean language, UBT Test, Grammar, and Dictionary.

### Functionalities:

User-friendly - Easy sign-in & sign-up process and the user-friendly design will help you to easily navigate throughout the app without any hassle or distractions.

Secure Payment - Implemented top-notch secured technology and integrated with Esewa and Khalti for easy and fast payment.

Realistic - You will experience it as if you are giving the real test with a friendly interface, designed by the exam's latest models, clear picture, and good sound. Also, you can jump between the questions forward and backward.

Realtime - Get real-time results with a score and watch all the correct answers, un-attempted questions, and wrong answers instantly.

Tracking - View your last test score and track your last 5 test performances anytime.

Availability - Use it anytime and anywhere with your smartphone connected to the internet.

Multilingual - Supports two languages Korean and English. You can switch languages at any time.

Reward Points - Get reward points for 4 cases:

- I) Every time you purchase sets or packages.
- II) As per the correct answer you get during the test.
- III) When you sign up for the first time.
- IV) When someone uses your ref-id during the sign-up process.

Push Notification - You will be updated instantly if New UBT Test Sets, Packages, or Blogs have been added. Also, you will be notified every day with Grammar of the Day and Word of the Day.

Favorite and Share - Toggle the Favorite icon and store it for later. No need to search for the word, grammar, or blog that you liked most time and again. Also, you can share it with anyone.

## **5 main Services:**

UBT Test - Realistic examination experience, comprising questions that are highly likely to appear on the EPS (Employment Permit System) Exam.

Grammar - Understanding Korean grammar in a novel and effortless manner organized as EPS TOPIK, Beginner, Intermediate, and Advanced sections.

Dictionary - Assists learners in searching for the meanings of Korean words in English and Nepali language

Discussion - Common platform allowing all LKWB users to make inquiries and responses regarding the Korean language.

Blog - Platform offering detailed explanations of Korean culture, traditions, festivals, customs, and way of life, as well as the history of Korea.

Please send us any feedback you have regarding our app.

Thank you and best regards!
